Sir:

Applicants filed the application covered by the caption indicated above on November 19, 2003. The signatures of the inventors were, however, missing on the DECLARATION. In response to the filing, the United States Patent and Trademark Office issued a NOTICE TO FILE MISSING PARTS OF NONPROVISIONAL APPLICATION - FILING DATE GRANTED document. That paper documented the fact that

the filing date was granted for the application. Further, however, it documented a requirement that a properly signed Oath or Declaration identifying the application by Application Number and Filing Date be submitted. That paper also required that a surcharge in the amount of \$65.00 be submitted.

The period for response was set to expire two months from the date of that paper. The unextended deadline for responding is, therefore, April 18, 2004. However, enclosed is a Petition for Extension of Time and our check in the amount of \$740.00 to extend the deadline to August 18, 2004.

Please find enclosed "PART 2 - COPY TO BE RETURNED WITH RESPONSE" copy of the NOTICE TO FILE MISSING PARTS OF NONPROVISIONAL APPLICATION - FILING DATE GRANTED document, a Declaration signed by the named inventors, a Petition for Extension of Time, and checks in the amounts of \$65.00 (the amount of the surcharge) and \$740.00 (four-month extension of time).

In view of the action taken herein, Applicant would submit that the requirements imposed by the NOTICE TO FILE MISSING PARTS OF NONPROVISIONAL APPLICATION - FILING DATE GRANTED paper have been complied with. It is, therefore, requested that the application be passed for examination.

Please charge any deficiencies or credit any overpayment to
Deposit Account No. 14-0620.

Respectfully submitted,

David D. Cox et al.
